Sub: Press Release

Ref: Regulation 30 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the “Listing Regulations”)

Dear Sir/Madam,

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“Listing Regulation”), we hereby enclose a copy of the Press Release titled “KP Group, in collaboration with Fabtech Group, announces a global alliance to build next-generation green infrastructure across the pharma, biotech, and healthcare sectors”.

We request you to kindly take the same on record.

Thanking you,

Yours faithfully,

**For Fabtech Technologies Cleanrooms Limited,
(Formerly known as Fabtech Technologies Cleanrooms Private Limited)**

Amjad Adam Arbani
Executive Director
DIN: 02718019
Encl: As mentioned above

PRESS RELEASE

KP Group and Fabtech Group Join Hands to Drive Sustainable Growth Through Green-Energy-Powered Cleanroom Projects Across India

KP Group, a leading renewable-energy conglomerate through its flagship companies, has signed a Memorandum of Understanding (MoU) with Fabtech Group to collaboratively develop and implement green-energy-powered turnkey cleanroom projects.

As part of this strategic initiative, KP Group will provide and integrate solar, wind, hybrid, Battery Energy Storage Systems (BESS), and green-hydrogen-based power solutions for FTCL's turnkey cleanroom facilities serving pharma, biotech, healthcare, data centres, solar, semiconductor, automotive, food and beverage, and other high-tech sectors. This partnership represents a significant step toward creating a new generation of sustainable, digital, and low-carbon industrial ecosystems throughout Worldwide.

Together, both groups aim to drive innovation in green infrastructure by launching pilot and demonstration projects powered by renewable energy. The collaboration supports our goal of achieving carbon-neutral digital transformation and expanding sustainable infrastructure worldwide.

"This collaboration marks another milestone in KP Group's vision of driving sustainability through innovation. By integrating our renewable energy capabilities with Fabtech Group's Life science projects, we aim to enable greener and more efficient digital infrastructure for the future," said **Dr. Faruk G. Patel, Founder and Promoter of KP Group.**

Commenting on the partnership, **Mr. Aasif Ahsan Khan, Director & Chairman of the Fabtech Technologies Cleanrooms Limited**, said: "Through this Partnership we are uniting renewable energy with our Conventional turnkey solutions and innovations at scale. Together KP Group and Fabtech Group are redefining how global advance and life science facilities are built – faster, cleaner and smarter."

"This partnership is not just a collaboration; it's a convergence of energy and innovation"

The MoU establishes a framework for both groups to jointly explore sector-agnostic opportunities across world wide, focusing on sustainability, digitalisation, and renewable-powered infrastructure. This collaboration reinforces the shared vision of KP Group and Fabtech Group to drive innovation that bridges renewable energy with emerging cleanroom sectors, contributing to India's movement toward net-zero and sustainable growth.

About KP Group

Established in 1994, by Dr. Faruk G. Patel, KP Group has grown into a multi-faceted conglomerate with core expertise in renewable energy, infrastructure, and innovation. Over the past three decades, the group has championed sustainability by spearheading transformative projects in wind, solar, hybrid energy, Battery Energy
